7. Capable of handling up to 14/3 cord.
8. .187" x .020" quick-connect terminals required.
9. Long life snap switch.
10. #8 grounding screw is provided.
11. High quality, black epoxy coating.

Momentary Action

Custom Foot Switches:

The Series 862 can be provided with special nameplates, cord sets, plugs, strain reliefs, and other features that may be required for specific applications.

BENEFITS

The Series 862 foot switch boasts an ergonomic design specifically created to reduce operator fatigue and increase productivity. Its innovative pedal hinge is strategically placed under the ball of the foot, ensuring exceptional comfort and ease of use during extended operations.
